## Project Status Tracking

- MOTION:** The Council Office has filed a motion for BOE to review an identified site to see if it is feasible for an A Bridge Home project.
- FEASIBILITY REVIEW:** The project is still being assessed.
- DESIGN PHASE:** The project has been deemed feasible, a CEQA analysis is being conducted, and the design layout is being formulated.
- CONSTRUCTION ALLOCATION FUNDS:** The project may have not "officially" broken ground, but construction dollars have been assigned via Council motion, and it will be under construction soon thereafter.\* Canoga- Acquisition Funds Allocated \*\* Sylmar Armory (Arroyo) Operation Funds Allocated, and \*\*\*Paloma is Lease Funds Allocated.
- CONSTRUCTION:** The project is in construction, discussed at the construction meeting, or set to begin site prep work soon.
- COMPLETED:** The project is completed, and the ABH Interim Housing is set to open or the site has opened for operation.
